Janus Kiong Yan Cong

857 Tampines Street 83 #10-364 Singapore 520857 || (+65) 92344896 || jnus@live.com.sg

EDUCATION

Nanyang Technological University

Aug 2014 - Present

Bachelor of Engineering Science (Computer Science) and Masters of Science in Technology Management

- Renaissance Engineering Programme (Premier Scholars' Programme for top 2% of cohort)
- CGPA: 4.57 (Expected First Class Honours) with Expected Graduation on Dec 2018

Northwestern University

Sep 2016 - June 2017

1 year study in USA, concurrent with REP

Segal Design Certificate

Engineering School of Information and Digital Technologies (EFREI)

Jun 2015

Summer Exchange Programme in Paris

Unified Modelling Language, Project Management and French Language

PROFESSIONAL EXPERIENCE

openBerlin Cisco Innovation Centre

Jun 2016 - Sep 2016

Intern

- Part of DevOps team to set up a Mantl cluster for containerized applications
- Used Docker containers for apps

Republic of Singapore Air Force

Feb 2012 - Feb 2014

Dedicated Crew Chief

- Serviced and inspected F16D+ fighter planes and launched pilots for their sorties
- Trained and oversaw juniors for their on-the-job training
- Awarded Best Serviceman (NSF) for overseas detachment

PROJECT EXPERIENCE

Autonomous Ground Vehicle

Aug 2017 – Present

- Final Year Project
- Designing an autonomous ground vehicle that navigates using LIDAR, camera and UWB in enclosed areas
- Creating a graphical user interface in the form of a web app

Mobile App Design

Jan 2017 – June 2017

- Designed collaboratively and tested user experience of a priority based time management app
- Used Python to develop a mobile app

Machine Learning

Sep 2017 – Nov 2017

- Used Tensorflow and scikit-learn in Python to code machine learning algorithms on Kaggle Dataset
- Achieved top 5% of results globally

CO-CURRICULAR ACTIVITIES

NUStars

Sep 2016 - June 2017

Participant

Tripoli Level 1 Certified

REP Freshman Orientation Camp

Jul 2015

Programmer

Planned and executed activities for freshmen

Arrow Scouts Group

Jan 2010 – Dec 2015

Adult Leader

- Volunteered at alma meter (Victoria School) as both a mentor and leader for 50 scouts annually
- Organised 6 annual camps and events such as Arrow Scouts Campfire involving 12 schools
- Taught and conducted tests for 120 juniors

AWARDS AND ACHIEVEMENTS

NU Design Competition May 2017

- Designed and built an autonomous robot that evades a pursuer
- Quarterfinalist

WildHacks Nov 2016

- Designed and built a smart bin prototype that uses image recognition to sort waste
- Won Best Social Good App

Bloomberg Aptitude Test

Nov 2015

• Overall 2nd in Asia & Pacific

SKILLS

Programming Language

- Python (Intermediate)
- Java (Intermediate)
- C (Basic)
- HTML & CSS (Basic)

Software

- Solidworks (Intermediate)
- Microsoft Office (Intermediate)

Language

- English (Proficient)
- Mandarin (Proficient)
